

A Privacy Policy and Terms of Use Agreement for User Data Encryption with SHA-256

Welcome to App by Ozgur Atak!

This Privacy Policy and Terms of Use Agreement (the "Agreement") governs your use of any mobile application made by Ozgur Atak and outlines how we collect, use, disclose, and protect your information. By using any application which one is made by Ozgur Atak, you agree to the terms of this Agreement. If you do not agree to these terms, please do not use our application.

1. User Data Encryption

We take your privacy and security seriously. We use SHA-256 encryption to protect your data and ensure that no one else can access your personal information. We do not share any user data with third parties, and we will never do so.

2. Security Breach and Responsibility

In the event of a security breach, we will take all necessary measures to minimize the impact and notify all affected users as soon as possible. However, we cannot be held responsible for any damages or losses resulting from a security breach. Our application uses Firebase, a Google platform, and any legal responsibilities in case of data breaches will be directed towards Firebase and its management.

3. User Acceptance

By registering or using our application, you acknowledge that you have read and agreed to the terms of this Agreement. If you do not agree to these terms, please do not use our application.

4. Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to its conflicts of laws principles. Any dispute arising from this Agreement shall be resolved in the courts of the State of California, which shall have exclusive jurisdiction over such dispute.
