A License Agreement for Use of Application Code, API Keys, and User Data

Thank you for using my applications! This License Agreement ("Agreement") governs your use of the application code, API keys, and user data associated with any application made by Ozgur Atak. By using our application, you agree to the terms of this Agreement. If you do not agree to these terms, please do not use our application.

1. Ownership of Application Code and API Keys

All rights, title, and interest in the application code, code snippets, algorithms, and architecture, as well as any API keys provided to you, are owned by Ozgur Atak. You may not use, modify, or distribute any part of our application without our prior written consent.

2. Use of API Keys

We provide API keys for your use in conjunction with our application. These keys are unique to you and are not to be shared or used by any third party. If an API key becomes compromised, we are not responsible for any damages or losses that may result. If your API key is detected in another application, you will be solely responsible for any resulting liability, and the relevant jurisdiction for any legal action will be in France.

3. User Data

Our application may collect certain user data, including personal information. We take the privacy and security of this data seriously and will use it only in accordance with our Privacy Policy and applicable laws. We will not sell or disclose user data to any third party, except as required by law or as necessary to provide our services.

4. Termination

We reserve the right to terminate your license to use our application code, API keys, and user data at any time, for any reason. Upon termination, you must immediately cease all use of our application and delete any copies of our application code or API keys.

5. Disclaimer of Warranties and Limitation of Liability

Our application code, API keys, and user data are provided "as is" without warranty of any kind, either express or implied, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. We will not be liable for any direct, indirect, incidental, special, or consequential damages arising out of or in connection with your use of our application code, API keys, or user data.

6. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Turkey, without regard to its conflicts of laws principles. Any dispute arising from this Agreement shall be resolved in the courts of France, which shall have exclusive jurisdiction over such dispute.

Thank you for using my applications!
